Sponsorship Package Overview

Ignite the Fire Fest is a faith-filled celebration hosted by **Our Lady of Good Counsel Retreat House**, offering an encounter with Christ for all who attend. While traditionally known for quiet, reflective retreats, the Retreat House also embraces Christ's call to vibrant and joyful celebration. The event will be held at **The Oaks**, a newly developed Christian venue nestled in 100 acres of beauty just outside East Lincoln. The festival will begin with a **Corpus Christi Mass** and **Eucharistic Procession**, marking the first event at the newly built amphitheater, one dedicated to our Lord.

Following Mass, enjoy an opportunity to pray with our prayer teams, attend Confession, or sit with Jesus in our Adoration area. When you are ready, head to our "town square" area, with a family-friendly festival featuring live music, inflatables, yard games, food trucks, vendors, fireside chats, and a lively atmosphere. The evening will conclude back in the amphitheater, with a concert by **VOTA**, a Christian rock band featuring Bryan Olesen, formerly of the Newsboys and *Top 3 Finalist on The Voice*.

This **festival-style event** combines the reverence of our faith with the joy of worship. It brings the Catholic community together for fellowship and fun in the beauty of God's creation. Be part of this historic occasion that will set the stage for future Christian events at The Oaks. As a sponsor, you'll help us bring this encounter with Christ to the community, supporting a family-friendly gathering that celebrates both the contemplative and lively aspects of our faith.
